Our championship facilities include a complete practice range, putting green, pro shop, and snack bar. All golf carts come equipped with the ProLink GPS yardage system.

Designed by Joe Finger, Ken Dye, and Baxter Spann and opened in 1987, this links-style course is one of the most popular in the Houston metroplex. Sand bunkers come into play on 17 holes with water serving as an additional challenge on six holes. Clear Creek combines a friendly atmosphere and a fun layout with enough obstacles to challenge golfers of all skill levels.
