

Format

Each team may consist of one golf professional and three amateurs or four amateurs.

Modified Scramble - Stableford

Each team member hits a tee shot and the best of the four is selected like a scramble.

From this location, each player will then play their own ball into the hole.

Points will be scored in a stableford style.

The team score will be determined by the best three of four overall total +/- scores.

Field is Limited!!!

Georgia Junior Golf Foundation

The Georgia Junior Golf Foundation was founded in 1974 with support from both the GSGA and the Georgia PGA. Since its inception, the Foundation's Mission has been to positively affect youth by promoting interest and participation in the game of golf. The purpose of the Foundation is to introduce the game of golf and its values to young people in Georgia and to provide opportunities for continued growth and involvement in the game.

The Georgia Junior Golf Foundation is announcing its newest fundraising effort a Golf License Tag. The Foundation has gotten legislation passed through the Department of Revenue that is now available. Please check out our web site at www.gjgf.org and you can apply online to get one today and help support junior golf. Through the years, our message has been delivered in many different manners such as camps, clinics, seminars and tournaments. The Junior Golf Magazine is another tool for the Foundation to use in its effort to fulfill its Mission. The magazine is in its seventh year and is highly anticipated each January! The magazine offers a great collection of useful information for junior golfers of all skill levels.

The Foundation is very proactive around the state with a variety of different clinics and workshops to give juniors some PGA instruction time and get more juniors to the golf course.
