

Fore on Four

by John C. Green

Golf foursomes come in all shapes and sizes. *Fore on Four* depicts an early morning visit by a non-traditional foursome enjoying the morning tranquility of a South Dakota golf course.

Fore on Four is the second in a series of prints being offered by Madison artist John C. Green to benefit the South Dakota Junior Golf Foundation. John's first print in the series, the very popular *From Green to Green*, was made available in 2007.
