COBBLESTONE
GOLF COURSE

Nestled along the banks of Lake Acworth is Cobb County's championship golf course. Created with a "resort feel" in mind, Cobblestone blends the amenities of a fine private club with the accessibility and affordability of a public course. In addition to its picturesque and challenging course, Cobblestone's facilities include: a practice range, clubhouse, restaurant and an outdoor pavilion. Opened in the fall of 1993, Cobblestone was quickly established among members of the golf community as the premier daily fee course in Georgia. Monday qualifiers for the PGA Tour's BellSouth Classic can attest, "it's all the course a good player can handle."

Alpharetta Athletic Club offers two 18 hole golf courses, located in Milton only minutes away from GA 400. Our East course was designed by Michael Riley, who learned his trade as a design associate for Jack Nicklaus. This course is the longer of the two playing 6894 yards from the back tee. The West course is a Willard Byrd design, designer of many PGA Tour courses. The West course is very different from the East and has a park-like setting with tight fairways. Together they offer our guests a complete variety, pair this with fantastic outing menus, and great meeting space and your event here will not be forgotten.

Once host to a PGA tour event, Dunes West Golf Club blends a historically rich environment with the best golf facilities offered anywhere today. The clubhouse, set amid bermuda-covered dunes and 200 year old oaks draped in spanish moss, was built on the site of the antebellum Lexington Plantation and was specifically designed to capture the old southern charm of the Low Country. And the course, a par-72, 6,871-yard, Arthur Hills design takes full advantage of its fabulous setting. Dunes West Golf Club is truly a world-class golf experience. And remember, “its not whether you win or lose but where you play the game that counts.”

The Capstone Club is a remarkable Gil Hanse design situated between Tuscaloosa and Birmingham, Alabama. Opened in 2001, this \$13 million gem is considered to be one of the Top 10 Courses in the State and features a very traditional, almost Scottish links type design. Rolling hills, sand barrens, deep bunkers, long grasses, bentgrass greens, dramatic views and superb playing conditions are the hallmark of the notable course. Capstone also features an elegant and comfortable clubhouse ideal for post-tournament and outing functions — in fact, it has won awards for its architectural pedigree.
