The Comprehensive State-wide Water Management Plan and Governor Sonny Perdue, by Executive Order, directed the DNR to develop the WCIP with assistance from other agencies and our state's diverse water users. The WCIP will serve as a guide for Georgia business owners, farmers, homeowners, water service providers and government officials.

The draft plan is available for review and comment at [www.GeorgiaWCIP.org](http://www.GeorgiaWCIP.org). Comments can be submitted electronically at that web site or sent by conventional mail to the Georgia Environmental Protection Division, 2 Martin Luther King Jr. Drive, Suite 1152 East Tower, Atlanta, Georgia 30334 to the attention of Arnettia Murphy.
