> **Scratch Golf JLM Series Wedge**

800-834-4834, www.scratchgolf.com, \$199

MEMBER RATING: 8.9 BEST FEATURE: DESIGN

Forged from 1018 Carbon Steel, the Scratch JLM Series wedge is available in five different sole grinds for improved ball contact, spin and versatility. Scratch Golf uses a simple four-question fitting to find the proper grind for each golfer's particular swing.

Johnathon Schultz, Madison, WI: "The JLM Series wedge has a soft feel and good spin around the greens, and the sole design keeps me from hitting it fat."

^ **KZG SPX Driver**

800-200-8800, www.kzg.com, \$309

MEMBER RATING: 8.7 BEST FEATURE: DISTANCE

The SPX driver from KZG has an aerodynamically designed 460cc club-head with a heat-treated, forged SP 700 beta titanium faceplate for maximum ball speed and distance.

Willie Taylor, Claremore, OK: "KZG's SPX driver is both long and forgiving with a great sound and good feel."

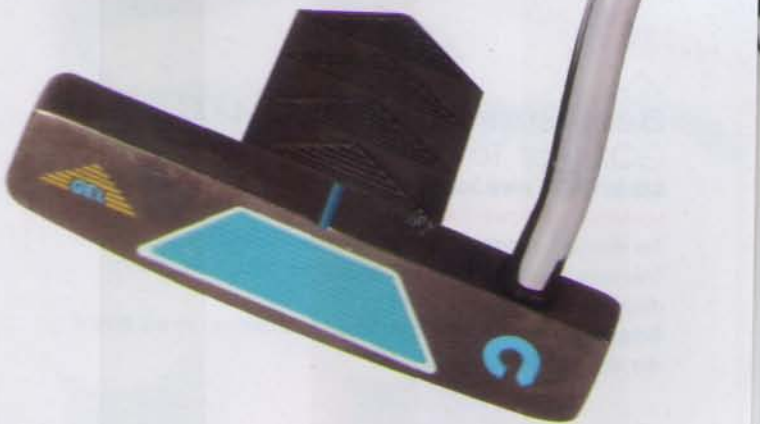

∨ **Jack Jolly & Son, Inc. GEL Emerald Putter**

www.gelputter.com, \$165

MEMBER RATING: 8.8 BEST FEATURE: ROLL

The face-balanced GEL Emerald putter has horizontal grooves milled onto a soft aluminum insert to start the ball rolling quickly. Its heavier head helps promote a pendulum-like stroke and black nickel finish eliminates glare.

Keith Sloboda, Hull, MA: "The GEL Emerald putter has knocked three to five strokes off my average score."

< **Sunice Ultimate GORE-TEX Jacket**

800-561-3872, www.sunice.com, \$400

MEMBER RATING: 9.4

BEST FEATURE: PROTECTION FROM WEATHER

Sunice's lightweight Ultimate GORE-TEX jacket comes with a lifetime water-proof guarantee. It features an in-pocket ball cleaner, adjustable waist cinch, four-way stretch inserts and sleeve rain channels to direct water away from the wrist and hand.

Kevin Pollock, Sharpville, PA: "The jacket offers freedom of movement and kept me dry from the rain and warm from the wind."
