

IGAJ STATE RANKINGS

- ☐ The best three (3) differentials will be used to calculate a junior's ranking with all players statewide in each age group. This ranking will be used to select players for the State Championship. The top 33.33% in each age group will be invited to the Junior State Tournament.
- ☐ Tournament (weekly & state) scores will be adjusted to the course rating of the golf course on which the round was played.
- ☐ For 18 Hole Players the formula is as follows: actual score, subtract course rating, times by 113, divide by the slope rating, = "differential"
- ☐ For 9 Hole Players the formula is as follows: actual score, subtract the 9 hole course rating, times by 113, divide by the slope = "differential"

Girls age 10						
	10	F	Jaeger	Jordan	17.17	4
	10	F	Moore	Macy	21.85	1
	10	F	Esh	Kylie	23.16	4
