Hawk Pointe Foundation Announces 2nd Annual Bob Ross Golf Classic Warren and Hunterdon charities to receive event proceeds

Washington, NJ August 15, 2008 –

The 2nd Annual Bob Ross Golf Classic will be held at the Hawk Pointe Golf Club in Washington, New Jersey on Thursday, October 2.

Proceeds from the outing will benefit the Hawk Pointe Foundation, a non-profit 501(c)(3) organization established to raise funds for community causes within Warren and Hunterdon counties.

The event is named after one of the Foundation's founders, Robert "Bob" Ross, the revered head golf professional at Baltusrol Golf Club, retired in 1996 after serving in that capacity for more than 26 years. Hawk Pointe Foundation was also established by Richard Cotton, managing director of Hawk Pointe Golf Club and businessman Patrick Welsh.

In its inaugural year, the golf tournament raised more than \$15,000 to benefit the Domestic Abuse and Sexual Assault Crisis Center of Warren County. In addition, the Foundation made donations to the ARC Radiothon, Joshua Gonder Memorial Foundation and the Jason Schaible Memorial Foundation. This year, the Foundation has an additional golf outing and a winter social event planned to raise more funds for local charities.

"Hawk Pointe Foundation was established to help us better respond to the many requests for contributions we receive from our members, employees and communities where we live and serve; Bob Ross' name was the key to helping us create a successful, fun event", said Cotton.

Cotton added that a Board is now in place to select the charities and to support efforts to raise funds.
